#### # Commission rate for After-Hours Futures Trading (T+1 Session):

1. Establishment and closure of a futures position within the same T+1 session would be classified as a day trade. Commission rate for day trade would be charged accordingly. Establishment of a futures position in the T+1 session which is closed during the next normal trading session would be charged with the commission rate for day trade as well.
  2. All commission collection would be shown on the daily statement of the next normal trading session and would be subjected to the statement. (Transactions during the T+1 session would be shown on the daily statement of the next trading day.)
  3. HKEX announced that all MSCI futures and options will be the first suite of products ("H Products") to be cleared on Hong Kong public holidays ("H Days") commencing from Monday, 9 May 2022 (Buddha's Birthday public holiday).
  4. "H Days" will be regarded as clearing date. Establishment of any futures position in the T+1 session preceding "H Days" which is closed during the next normal trading session following "H Days" would be charged with the commission rate for overnight trade.
- Commission is subject to overnight charges of phone orders if expiring futures contract is closed out by "auto cash settlement" on the last trading day.
  - Commission is subject to phone orders charges if expiring index options contract (in-the-money options) is closed out by "auto cash settlement" on the last trading day.
  - Commission of index options rounded up to the nearest dollar.

- Clients need to read and confirm CME Subscriber Agreement for non-professional users.
- Request for termination of Online Real-Time Quote Service should be made on or before 25th of each month.

Global Futures Real-time Quote service deposit arrangement:

Clients who apply for the real-time quote service will be required to pay a US\$500 deposit (for professional users). This deposit will be refunded to your account when you cancel your subscription. Please note that your account must maintain a sufficient balance to cover the next month's subscription fee, which is due on the 25th of each month. If there are insufficient funds in your account on the due date, our team will contact you to request that you top up the balance. The company reserves the right to cancel your real-time quote service if there is no sufficient fund on that day. Any outstanding fees will be deducted from your deposit, and the remaining balance (if any) will be credited back to your trading account.
